

DATA PROTECTION POLICY

In compliance with the Protection of Personal Information Act
("POPIA") of 26 November 2013

Introduction

The purpose of this document is to provide a concise policy statement regarding the Data Protection obligations of Alliance Française de Stellenbosch. This includes obligations in dealing with personal data, to ensure that the organisation complies with the requirements of the POPIA.

RATIONALE

Alliance Française de Stellenbosch must comply with the Data Protection principles set out in the relevant legislation. This Policy applies to all Personal Data collected, processed and stored by Alliance Française de Stellenbosch in relation to its staff, service providers and clients in the course of its activities.

Alliance Française de Stellenbosch makes no distinction between the rights of Data Subjects who are employees, and those who are not. All are treated equally under this Policy.

SCOPE

The policy covers both personal and sensitive personal data held in relation to data subjects by Alliance Française de Stellenbosch. The policy applies equally to personal data held in manual and automated form. All Personal and Sensitive Personal Data will be treated with equal care by Alliance Française de Stellenbosch. Both categories will be equally referred-to as Personal Data in this policy, unless specifically stated otherwise.

DEFINITIONS

For the avoidance of doubt, and for consistency in terminology, the following definitions will apply within this Policy.

Data

This includes both automated and manual data. Automated data means data held on computer, or stored with the intention that it is processed on computer. Manual data means data that is processed as part of a relevant filing system, or which is stored with the intention that it forms part of a relevant filing system.

Personal Data

Information which relates to a living individual, who can be identified either directly from that data, or indirectly in conjunction with other data which is likely to come into the legitimate possession of the Data Controller.

Sensitive Personal Data

A particular category of Personal data, relating to: Racial or Ethnic Origin, Political Opinions, Religious, Ideological or Philosophical beliefs, Trade Union membership, Information relating to mental or physical health, information in relation to one's Sexual Orientation, information in relation to commission of a crime and information relating to conviction for a criminal offence.

Data Controller

A person or entity who, either alone or with others, controls the content and use of Personal Data by determining the purposes and means by which that Personal Data is processed.

Data Subject

A living individual who is the subject of the Personal Data, i.e. to whom the data relates either directly or indirectly.

Data Processor

A person or entity who processes Personal Data on behalf of a Data Controller on the basis of a formal, written contract, but who is not an employee of the Data Controller, processing such Data in the course of his/her employment.

Information Manager

A person appointed by Alliance Française de Stellenbosch to monitor compliance with the appropriate Data Protection legislation, to deal with Subject Access Requests, and to respond to Data Protection queries from staff members and service recipients.

Information and Data Protection Officer

The Director of the Alliance Française de Stellenbosch is the Information and Data Protection Officer, fully responsible for the compliance to the POPIA.

Relevant Filing System

Any set of information in relation to living individuals which is not processed by means of equipment operating automatically (computers), and that is structured, either by reference to individuals, or by reference to criteria relating to individuals, in such a manner that specific information relating to an individual is readily retrievable.

Consent

Freely given, specific, informed and explicit consent by statement or action signifying agreement to the processing of their personal data.

ALLIANCE FRANÇAISE DE STELLENBOSCH AS A DATA CONTROLLER

In the course of its daily organisational activities, Alliance Française de Stellenbosch acquires, processes and stores personal data in relation to:

- Employees of Alliance Française de Stellenbosch (HR Data)
- Customers of Alliance Française de Stellenbosch, including within the Language Centre, Exam Center, Cultural Centre, Library and Translation Service

In accordance with the POPIA, this data must be acquired and managed fairly. Not all staff members will be expected to be experts in Data Protection legislation. However, Alliance Française de Stellenbosch is committed to ensuring that its staff has sufficient awareness of the legislation in order to be able to anticipate and identify a Data Protection issue, should one arise. In such circumstances, staff must ensure that the Information manager is informed, and in order that appropriate corrective action is taken.

Due to the nature of the services provided by Alliance Française de Stellenbosch, there is regular and active exchange of personal data between Alliance Française de Stellenbosch

+27 78 520 79 63 - director@stellenbosch.alliance.org.za

44 Ryneveld Street, Stellenbosch 7600

www.stellenbosch.alliance.org.za

and its Data Subjects. However, Alliance Française de Stellenbosch exchanges no personal data with Data Processors on the Data Subjects' behalf, as all exchange of data is within Alliance Française de Stellenbosch only.

This policy provides the guidelines for this exchange of information, as well as the procedure to follow in the event that an Alliance Française de Stellenbosch staff member is unsure whether such data can be disclosed.

In general terms, the staff member should consult with the Information manager to seek clarification.

SUBJECT ACCESS REQUESTS

Any formal, written request by a Data Subject for a copy of their personal data (a Subject Access Request) will be referred, as soon as possible, to the Information manager, and will be processed as soon as possible, but must be concluded within one month, with no undue delay.

It is intended that by complying with these guidelines, Alliance Française de Stellenbosch will adhere to best practice regarding the applicable Data Protection legislation.

THIRD-PARTY PROCESSORS

In the course of its role as Data Controller, Alliance Française de Stellenbosch engages with no Data Processors to process Personal Data on its behalf. All data processing is internal to Alliance Française de Stellenbosch, and no exchange of information with external Data Controllers or other Third-Party processors occurs, save for its Translation Service, where customers consent to their documents, for which they want translated, to be sent to external approved translators working on a case-by-case contractual basis.

THE DATA PROTECTION PRINCIPLES

The following key principles are fundamental to Alliance Française de Stellenbosch's Data Protection policy.

In its capacity as Data Controller, Alliance Française de Stellenbosch ensures that all data shall:

1. ... BE OBTAINED AND PROCESSED FAIRLY AND LAWFULLY.

For data to be obtained fairly, the Data Subject will, at the time the data are being collected, be made aware of:

- The identity of the Data Controller (Alliance Française de Stellenbosch)
- The purpose(s) for which the data is being collected;

- The person(s) to whom the data may be disclosed by the Data Controller;
- The legal basis for processing the data;
- The retention periods of the data;
- The right of complaint where Data Subjects are dissatisfied with the implementation of the above criteria;
- Their individual rights under the General Data Protection Regulation.

Alliance Française de Stellenbosch will meet this obligation in the following way.

- The informed consent of the Data Subject will always be sought before their data is processed, which must be specific, unambiguous and freely given to the Data Controller, by way of a positive indication of agreement, and thus cannot be inferred from silence, pre-ticked boxes or inactivity;
- Where Alliance Française de Stellenbosch intends to record activity on CCTV or video, a Fair Processing Notice will be posted in full view;
- Processing of the personal data will be carried out only as part of Alliance Française de Stellenbosch's lawful activities, and Alliance Française de Stellenbosch will safeguard the rights and freedoms of the Data Subject;
- In compliance with the POPIA, data will only be processed if the individual has given clear consent for Alliance Française de Stellenbosch to process their Personal Data for a specific purpose, which will be disclosed to the Data Subject before processing of their data, and listed in ;
- The retention periods of the data, which differ depending on the specific data category, will be conveyed clearly to the Data Subject before their data is processed, and will be relevant to the individual Data Subject;
- The individual rights of the Data Subject, including their right to complaint, will be posted in full view, both online and in the premises of Alliance Française de Stellenbosch, and adequate training will be given to relevant staff members to whom the Data Subjects can request a more detailed explanation;
- The data of the Data Subject will not be shared with a third party, except for customers of the Translation Service, where documents to be translated are submitted to external approved translators.

2. BE OBTAINED ONLY FOR ONE OR MORE SPECIFIED, LEGITIMATE PURPOSES.

Alliance Française de Stellenbosch will obtain data for purposes which are specific, lawful and clearly stated. A Data Subject will have the right to question the purpose(s) for which Alliance Française de Stellenbosch holds their data, and Alliance Française de Stellenbosch will be able to clearly state that purpose or purposes, and will, at least every year, verify its accountability for said purposes. These purposes are listed, too, in the attached Data Purpose and Accountability List.

3. NOT BE FURTHER PROCESSED IN A MANNER INCOMPATIBLE WITH THE SPECIFIED PURPOSE(S).

Any use of the data by Alliance Française de Stellenbosch will be compatible with the purposes for which the data was acquired, as outlined in the Data Purpose and Accountability List.

4. BE KEPT SAFE AND SECURE.

Alliance Française de Stellenbosch will employ high standards of security to protect the personal data under its care. Appropriate security measures will be taken to protect against unauthorised access to, or alteration, destruction or disclosure of any personal data held by Alliance Française de Stellenbosch in its capacity as Data Controller. In such a case that data has been breached in any way, the appropriate measures will be taken, in accordance with the attached Data Breach Procedure.

Access to and management of staff and customer records is limited to those staff members who have appropriate authorisation and password access, in its automated format. Data held in manual format are locked and secured in filing cabinets, which are in a secure location, beyond which only appropriate staff can access with a door password and authorisation.

5. ... BE KEPT ACCURATE, COMPLETE AND UP-TO-DATE WHERE NECESSARY.

Alliance Française de Stellenbosch will:

- ensure that administrative and IT validation processes are in place to conduct regular assessments of data accuracy;
- conduct periodic reviews and audits to ensure that relevant data is kept accurate and up-to-date. Alliance Française de Stellenbosch conducts a review of sample data every year to ensure accuracy; staff contact details are reviewed and updated every year, and when a new staff member join Alliance Française de Stellenbosch;
- conduct regular assessments in order to establish the need to keep certain Personal Data, an account of which is found in the attached Data Purpose and Accountability List;
- ensure that any data which may be inaccurate or incomplete, and which has been highlighted by the Data Subject as such, will be updated and reviewed when given notification within the time-limits specified in the attached Subject Access Request document.

6. ... BE ADEQUATE, RELEVANT AND NOT EXCESSIVE IN RELATION TO THE PURPOSE(S) FOR WHICH THE DATA WERE COLLECTED AND PROCESSED.

Alliance Française de Stellenbosch will ensure that the data it processes in relation to Data Subjects are relevant to the purposes for which those data are collected. Data which are not relevant to such processing will not be acquired or maintained, as outlined in the attached Data Purpose and Accountability List.

7. ... NOT BE KEPT FOR LONGER THAN IS NECESSARY TO SATISFY THE SPECIFIED PURPOSE(S).

Alliance Française de Stellenbosch has identified an extensive matrix of data categories, with reference to the appropriate data retention period for each category. The matrix applies to data in both a manual and automated format.

Once the respective retention period has elapsed, Alliance Française de Stellenbosch undertakes to destroy, erase or otherwise put this data beyond use.

8. ... BE MANAGED AND STORED IN SUCH A MANNER THAT, IN THE EVENT A DATA SUBJECT SUBMITS A VALID SUBJECT ACCESS REQUEST SEEKING A COPY OF THEIR PERSONAL DATA, THIS DATA CAN BE READILY RETRIEVED AND PROVIDED TO THEM.

Alliance Française de Stellenbosch has implemented a Subject Access Request procedure by which to manage such requests in an efficient and timely manner, within the timelines stipulated in the legislation.

DATA SUBJECT ACCESS REQUESTS

As part of the day-to-day operation of the organisation, Alliance Française de Stellenbosch's staff engages in active and regular exchanges of information with Data Subjects. Where a formal request is submitted by a Data Subject in relation to the data held by Alliance Française de Stellenbosch, such a request gives rise to access rights in favour of the Data Subject. There are specific time-lines within which Alliance Française de Stellenbosch must respond to the Data Subject, depending on the nature and extent of the request. These are outlined in the attached Subject Access Request process document.

Alliance Française de Stellenbosch's staff will ensure that, where necessary, such requests are forwarded to the Information manager in a timely manner, and they are processed as quickly and efficiently as possible, but within not more than one month from receipt of the request.

IMPLEMENTATION

As a Data Controller, Alliance Française de Stellenbosch ensures that any entity which processes Personal Data on its behalf (a Data Processor) does so in a manner compliant with the Data Protection legislation. Alliance Française de Stellenbosch does not exchange data, or have it processed thereof, by a Data Processor. In the circumstance that this should change, Data Subjects will be made aware, and the relevant documentation shall be updated.

In such a circumstance, failure of a Data Processor to manage Alliance Française de Stellenbosch's data in a compliant manner will be viewed as a breach of contract, and will be pursued through the courts.

Failure of Alliance Française de Stellenbosch's staff to process Personal Data in compliance with this policy may result in disciplinary proceedings.

DATA MAPPING

The Alliance Française de Stellenbosch has the following data:

Department	Type of Data	Where is the Data	Data protection
Language Centre	<ul style="list-style-type: none"> • Name • Mobile Phone Number • Email Address • Home Address • Gender • Nationality • Date of Birth • Reason for Registration • Class History • Accounting History <ul style="list-style-type: none"> ○ Type (Bill/Payment/Credit/Refund) ○ Mode (Cash/Card) ○ Date of Payment ○ Payment Amount 	<p>Program</p> <p>Excel sheets on the AF's drive</p>	<p>Encrypted and password protected</p>

DATA BREACH PROCEDURE

1. Introduction

1.1 This policy sets out the policy and procedure of Alliance Française de Stellenbosch in relation to detection and response to personal data breaches, and notification of the breach to the data controllers, the relevant authorities, and the subjects.

1.2 When dealing with a breach, Alliance Française de Stellenbosch must focus primarily on the protection of individuals, as well as protecting the interests of the institution.

2. Definitions

2.1 the following phrases are defined;

- a) 'Appointed Person' – this is the person who has been appointed to deal with data protection and data breach procedure within Alliance Française de Stellenbosch, i.e. the information Manager;
- b) 'Data Breach' - a data breach occurs when personal information is lost or subjected to unauthorised access, modification, use, disclosure or other misuse;
- c) 'Data Controller' – an entity that possesses and controls data;
- d) 'Data Processor' – an entity that is in the possession of data controlled by another entity;
- e) 'Data Subject' – an identifiable/identified natural person. They can be identifiable using a personal identifier such as their name, identification number, phone number, etc.;
- f) 'Personal Data' – personal data is any data which relates to a Data Subject;
- g) 'Supervisory Authority' – the supervisory authority is the Information and Data Protection Officer;
- h) 'Manual Data' – data kept in hard copy format;
- i) 'Automated Data' – data kept in a digital format.

3. Detecting personal data breaches

3.1 Technological Measures

The kinds of data held by Alliance Française de Stellenbosch are sensitive and as such, technological measures have been put in place to detect any interference with data or any incidents which may result in personal data breaches. As of the publication of this policy, these include:

- a) The placing of all manual data (including but not limited to: application forms, examination certificates, documents for translation, printed materials etc.) in secured filing cabinets;
- b) The placing of all automated data on computers within the organisation, which are only accessible by a passcode, in encrypted folders which are only accessible by an additional passcode;
- c) PMB, the library management software used by Alliance Française de Stellenbosch's Library (known as the "Médiathèque"), is encrypted, and access to the data on it (which includes only the name, contact details, date of birth and home address of the clients of the Library), is restricted only to those within the Alliance Française de Stellenbosch;

d) All data, including miscellaneous data not mentioned above, in both manual and automated form, is protected and/or encrypted on our servers, and no dissemination or distribution of this data occurs outside of Alliance Française de Stellenbosch, and is internal to our own operations, which keeps the data safe and secure within Alliance Française de Stellenbosch.

3.2 Organisational Measures

Organisational measures have been put in place to detect any interference with data or any incidents which may result in personal data breaches. As of the publication of this policy, these include:

- a) Alliance Française de Stellenbosch has trained each of its staff and will continue to inform them on matters regarding data protection and data breach;
- b) Personnel in administration and those who receive and input information from clients (specifically at Reception and in the Library) have been further trained in how best to approach incidents resulting in personal data breaches, including but not limited to: information regarding data, data protection, data breach procedure, personal data that we may have on a client, Subject Access Request forms, appropriate procedure should they receive a notification of data breach, etc.;
- c) Alliance Française de Stellenbosch will ensure to regularly assess the encryption of data, and the filing thereof, and ensure that data is fully protected and secured at all times;
- d) Alliance Française de Stellenbosch will regularly update staff on any changes or data breaches;
- e) Alliance Française de Stellenbosch will have a stable and efficient system for reporting data breaches (section 4 and 5);

3.3 Alliance Française de Stellenbosch will regularly review the above measures. Such measures will be reviewed annually, or after the instance of a data breach.

4. Responding to personal data breaches

4.1 Any of the personnel must notify the appointed person immediately if they become aware of any data breach, whether actual or possible. All staff will be notified of this.

4.2 The appointed person is responsible for investigation of possible and actual data breaches and determining whether there is an obligation to notify. Where it is determined that there is an obligation to do so, the appointed person must notify the relevant parties in accordance with the notification policy (Section 7 of this document).

4.3 All personnel must cooperate with the appointed person in the investigation and detection of personal data breaches. All staff will be notified of this.

4.4 It is the duty of the appointed person to determine the role of Alliance Française de Stellenbosch where there is a personal data breach. They must, therefore, determine whether Alliance Française de Stellenbosch is acting as a data controller or a data processor in this particular instance.

Alliance Française de Stellenbosch has acted as a data controller in relation to the following categories (this list is non-exhaustive); the names, addresses, ages, phone numbers, and

accounting history of people. Keeping or processing data concerning living people constitutes controlling data.

Alliance Française de Stellenbosch has not acted as a data processor in relation to data which is being held or processed by Alliance Française de Stellenbosch on behalf of someone else. All data within Alliance Française de Stellenbosch has been collected and distributed solely within Alliance Française de Stellenbosch, for use within Alliance Française de Stellenbosch only.

4.5 The steps taken by the appointed person should include (in no particular order):

- a) Assessing the risk of the subjects of the data;
- b) Ensuring the containment of the breach insofar as possible and as soon as possible;
- c) Gathering and collating data from all relevant sources in a way that does not compromise the data;
- d) Considering the relevant impact assessments;
- e) Informing the relevant parties within Alliance Française de Stellenbosch, and those that are subjects of the data of the breach and investigation;
- f) Assessing the level of risk to Alliance Française de Stellenbosch;
- g) Notifying the supervisory authorities, data controllers, subjects and others in accordance to policy set out in this document.

4.6 Alliance Française de Stellenbosch has a duty to keep a record of the response to personal data breach. The appointed person has a responsibility for this. This includes the facts of the breach itself, the effects (if any) of the breach and actions that were taken in relation to the breach.

This record will be kept with any others in an official register of Alliance Française de Stellenbosch concerning data breaches.

5. Notification to supervisory authority

5.1 This section applies to personal data breaches in which Alliance Française de Stellenbosch is acting as a data controller (outlined in section 4.4).

5.2 Alliance Française de Stellenbosch must notify the supervisory authority (the Office of the Data Protection Commissioner) of any personal data breach to data covered by this section without undue delay where feasible, within 72 hours. Exceptions are detailed in subsection 5.4.

5.3 Notifications to the supervisory authority will be made by the appointed person using the appropriate form. This will be sent to the Office of the Data Protection Commissioner securely and confidentially, for example by email or post if practicable. A record of these notifications will be kept by the appointed person and all responses pertaining to it from the supervisory authority in the same register mentioned in subsection 4.6.

5.4 Alliance Française de Stellenbosch will not notify the supervisory authority if it is unlikely that the personal data breach will result in a risk to the personal rights and freedoms of natural persons. The appointed person is responsible for determining if this applies. A record must be made of the decision not to notify. It must be stored in the same register mentioned in subsection 4.6.

5.5 Any additional information must be sent to the supervisory authority by secure and confidential means, as well as any changes in facts affecting notification under this section.

6. Notification to data controller:

6.1 This section applies to personal data breaches in which Alliance Française de Stellenbosch is acting as a data processor (outlined in section 4.4).

6.2 Alliance Française de Stellenbosch does not act as a data processor, and has no contracts wherein it is the data processor for any entity outside of Alliance Française de Stellenbosch, and therefore a data processing notification procedure does not apply.

6.3 This section of the policy will be updated and amended should Alliance Française de Stellenbosch act as a data processor for any reason.

7. Notification to data subjects:

7.1 This section applies to personal data breaches in which Alliance Française de Stellenbosch is acting as a data controller (outlined in section 4.4).

7.2 Data subject notifications are made in consultation with supervisory authority, the breach has been confirmed or it is deemed necessary to do so.

7.3 There is an obligation on Alliance Française de Stellenbosch to notify all subjects of a data breach as soon as is possible, and by secure and confidential means. The appointed person will keep a record of this. It must be stored in the same register mentioned in subsection 4.6.

7.4 Notifications to the data subjects will be made by the appointed person. This will be sent to the data subjects securely and confidentially, for example by post if practicable. A record of these notifications will be kept by the appointed person and all responses pertaining to it from the supervisory authority in the same register mentioned in subsection 4.6.

7.5 Alliance Française de Stellenbosch will not notify the data subjects if it is unlikely that the personal data breach will result in a risk to the personal rights and freedoms of natural persons. The appointed person is responsible for determining if this applies. A record must be made of the decision not to notify. It must be stored in the same register mentioned in subsection 4.6.

7.6 Other notifications may be required due to contract. The appointed person should consider whether it is appropriate to notify other parties of the breach.

8. Reviewing and updating this policy

8.1 The persons responsible for reviewing and updating the policy are the Director of Alliance Française de Stellenbosch and the committee of the Alliance Française de Stellenbosch.

8.2 The policy will be reviewed annually, by the director of the Alliance Française de Stellenbosch.

8.3 The policy may be reviewed ad hoc after a breach or possible breach that highlights issues that should be addressed or changed in this policy.

8.4 The matters to be considered upon review include changes in technology, breaches that have occurred since the last review, if any, and the types of data that are being collected at present.

DATA RETENTION AND DESTRUCTION POLICY

1. INTRODUCTION

1.1. Introduction

1.1.1. This Data Retention and Destruction Policy (the “DRDP”) has been adopted by Alliance Française de Stellenbosch in order to set out the principles for retaining, reviewing and destroying data. The DRDP covers all employees of Alliance Française de Stellenbosch.

1.1.2. The DRDP covers all data retained by Alliance Française de Stellenbosch in whatever medium such data is contained in. The DRDP is not therefore restricted to information contained in paper documents (“manual form”) but includes data contained in an electronically readable format (“automated form”). For the purposes of convenience, in this DRDP, the medium which holds data is called “a Document”.

1.1.3. This DRDP should be read in conjunction with other policies that have as their objectives the protection and security of data, such as the Data Protection Policy and the Data Breach Procedure.

1.1.4. Alliance Française de Stellenbosch has five distinct departments (“Centre”) which include the Language Centre, the Translation Service, the Library (‘Médiathèque’), the Examination Centre and the Cultural Centre.

1.2. Objectives

1.2.1. Alliance Française de Stellenbosch is bound by various obligations with regard to the data that it retains. These obligations include how long data is retained and when and how it can be destroyed.

1.2.2. Further, Alliance Française de Stellenbosch may be involved in unpredicted events such as litigation or business disaster recoveries that require to have access to the original Documents in order to protect Alliance Française de Stellenbosch’s interests or those of our employees or customers.

1.2.3. As a result, Documents may need to be archived and stored for longer than the data may be needed for day-to-day operations and business processes. A student may, for example, have not been a client since two years prior to their subscription, and thus

shall expire after said two years, but other Documents may, by law, need to be retained for a longer period.

1.2.4. Broadly, when the Document Retention Period is over, it ought to be destroyed in the proper manner.

2. RETENTION POLICY

2.1. Retention is defined as the maintenance of documents in a production or live environment which can be accessed by an authorised user in the ordinary course of business. For the avoidance of doubt, Documents used or draft versions of Documents shall not be retained beyond their active use period nor copied into production or live environments.

2.2. The retention period of a Document shall be an active use period of two years unless an exception has been obtained permitting a longer or shorter active use period by a specific unit ("Centre") responsible for creating, using, processing, disclosing, storing and destroying the Document.

2.3. After active use has expired and according to appropriate exceptions, Documents shall be archived in accordance with section 3 until the Documents are destroyed in accordance with section 4.

2.4. For the purposes of enforcing retention in accordance with this policy, each Centre is responsible for the Documents it creates, uses, stores, processes and destroys. A sample list of document types across Alliance Française de Stellenbosch by Centre is in the adjoined Data Retention Periods list. The list shall be maintained by each Centre.

2.5. Each employee in charge of each Centre shall be responsible for enforcing the retention, archiving and destruction of Documents, and communicating these periods to the relevant employees.

2.6. Each employee in charge of each Centre shall be responsible for submitting exception requests to the process, including consulting and receiving legal advice if necessary to justify making an exception request under section 5.

2.7. Each employee shall be responsible for returning Documents in their possession or control to Alliance Française de Stellenbosch upon separation or retirement. Final disposition of such Documents shall be determined by the immediate supervisor in accordance with this policy.

3. ARCHIVING POLICY

3.1. Archiving is defined as secured storage of Documents such that Documents are rendered inaccessible by authorised users in the ordinary course of business but which can be retrieved by an administrator designated by the employee in charge of each Centre for the Documents in question.

3.1.1. Paper records shall be archived in secured storage onsite, clearly labelled in archive boxes naming the employee in charge of the Centre and date to be destroyed.

3.1.2. Electronic records shall be archived in accordance with Alliance Française de Stellenbosch's secured, encrypted folder on the computer of the Information manager, with access to said encrypted folder only accessible by a variety of security measures, including a passcode and decryption code, which is secured furthermore in hard copy in a secured filing cabinet.

3.2. The archiving period of a document shall be seven (7) years unless an exception has been obtained permitting a longer or shorter active use period by the employee in charge of the Centre responsible for creating, using, processing, disclosing, storing and destroying the Document.

3.2.1. An archiving period of more than seven (7) years may be granted by exception for Documents with a vital historical purpose such as corporate records, client history, contracts and technical knowhow, for example. The employee in charge of each Centre will request an exception in accordance with section 5 to archive Documents. Such exception request shall specify the administrative, organisational and technical measures to be undertaken to ensure the confidentiality, integrity and availability of such Documents.

3.2.2. An archiving period of less than seven (7) years may be granted by exception for documents with a limited business purpose such as emails.

3.3. After the archival period has expired, Documents shall be destroyed in accordance with section 4.

3.4. For the purposes of enforcing archiving in accordance with this policy each Centre is responsible for the Documents it creates, uses, stores, processes and destroys. A sample list of Document types across Alliance Française de Stellenbosch is found in the adjoined Data Retention Periods list. The list shall be maintained by each employee in charge of a Centre.

3.5. The employee in charge of each Centre shall be responsible for enforcing the retention, archiving and destruction of Documents, and communicating these periods to the relevant employees.

4. DESTRUCTION POLICY

4.1. Destruction is defined as physical or technical destruction sufficient to render the information contained in the Document irretrievable by ordinary commercially available means.

4.2. Alliance Française de Stellenbosch shall maintain and enforce a detailed list of approved destruction methods appropriate for each type of information archived whether in physical storage media such as USB keys, hard drives, mobile devices, portable devices or in database records or backup files. Paper Documents shall be shredded using secure, locked consoles

designated which waste shall be periodically picked up by security screened personnel for disposal.

5. EXCEPTIONS TO THE RETENTION PERIOD

5.1. Exceptions may be requested under the following circumstances:

5.1.1. The employee in charge of each Centre shall review and submit to Alliance Française de Stellenbosch an exception request to archive data for a different period as prescribed in the Data Retention Periods list. The reasons may be a client requirement, business requirement, legal requirement or vital historical purpose.

5.1.2. The Exception Request Form shall be reviewed and approved by Alliance Française de Stellenbosch's Information manager.

6. RESPONSIBILITIES

6.1. The employee in charge of each Centre shall be responsible for implementing this DRDP and ensuring that employees understand this DRDP and that they perform the processes and procedures to execute this DRDP.

6.2. The Information manager shall be responsible for auditing compliance with this DRDP and providing an audit report with recommendations to be reviewed by Alliance Française de Stellenbosch's Director.

7. ENFORCEMENT AND REPORTING BREACHES

7.1. Breaches of this DRDP may have serious legal and reputation repercussions, and could cause material damage to Alliance Française de Stellenbosch. Consequently, breaches can potentially lead to disciplinary action that could include dismissal and legal sanctions, including criminal penalties.

7.2. All employees are expected to promptly and fully report any breaches of the DRDP, as outlined in the attached Data Breach Procedure. Reports made in good faith by someone who has not breached this DRDP will not reflect badly on that person or their career at Alliance Française de Stellenbosch. Reports may be made using the following email address: director@stellenbosch.alliance.org.za.
